RE: Diacon Technologies Ltd. (Co. No. 70227) — Propiconazole (Chemical Code 122101)
90-Day Response to Propiconazole Registration Review Data Call-In (GDCI-122101-1705)

Dear Ms. Walsh,

Diacon Technologies Ltd. (Diacon) holds registrations for propiconazole end-use products in the United States. We recently received the Data Call-In (DCI) for propiconazole (GDCI-122101-1705) and Diacon is seeking the generic data exemption. As indicated in the Data Call-In Response form, Diacon has identified its main source of propiconazole for each of its products. Therefore, a Requirements Status and Registrant's Response Form is not included with this response.

In support of Diacon's 90-day response to the DCI, enclosed is the following document:

- Data Call-In Response Form

If you have any questions, please do not hesitate to contact me at 253-853-7369 or Janelle@PyxisRC.com.

Sincerely,

A handwritten signature in black ink that reads "Janelle Kay".
